College Admission Fee for the Session: 2023-24

Fee to be paid for FYUGP		
Class	Category	Fee
Total Fees for TDC 1 st Semester	With Major	Rs. 4940.00
	Without Major	Rs. 4720.00
Note: Admission Fee may be changed subject to the new Govt. notification		

Principal's Desk:

Habraghat College, known as Habraghat Mahavidyalaya dedicated to the glorious memory of "Habraghat Pargana" a revenue village of the erstwhile Bijni Raj State, was formally inaugurated on the auspicious day of 29th August, 1979 with 61 Students in-Pre University Class under the aegis of a Sponsoring & Governing Body with a view to catering to the need of higher education of vast rural backward area bordering Meghalaya state centring round Krishnai pre-dominantly inhabited by people belonging to S.C., ST, O.B.C., M.O.B.C. and minority communities of alarming socio-economic condition.

The college situated in 36 Dudhnoi S.T. Constituency and located in the vicinity of Krishnai just 1 K.M. South from the N.H.37 was affiliated to Gauhati University in 1983 and was placed under deficit system of Grants-in-Aid w. e. f. 01-02-1986. The college has got permanent affiliation and has been registered under 2 (f) & 12 (B) of UGC act 1956 w. e. f. March, 2006.

The college has been offering Two Year Higher Secondary Course, Four Year Under Graduate Programme (FYUGP) w.e.f. B.A. First Semester, 2023-24, Three Year Under Graduate Course (CBCS) (for 2nd to 6th Semester) in the faculty of Arts with Honours in Assamese, Arabic, English, Economics, Education, Political Science, History and regular courses in Assamese, Arabic, English, Economics, Education, Political Science, History and Mathematics.. But I have the pleasure to inform you that with a view to create capacity building and job opportunities among the students we have introduced different Skill and Value oriented Courses.

Always on the march of progress, despite various odds, the college is getting ahead in collaboration with the teachers and employees, members of the Governing Body, alumni as well as the local leadership. It is the result of their co-operation that we have got our college assessed and accredited by **National Assessment and Accreditation Council (NAAC), Bangalore for the 2nd cycle in September, 2016**. The Peer Team of NAAC visited our on 22nd to 24th September, 2016. The NAAC has been pleased to accord us '**B' Grade** which has placed us among the other institutions of higher education in India achieving excellence in quality education. Now the college is looking forward how to further its achievement in relation to the globalization of education and human resource development. With this end in view an Internal Quality Assurance Cell (IQAC) has been functioning to accelerate the post accredited Quality Assurance Programme depending on the strengths and weaknesses of the college and getting ready for 3rd Cycle of NAAC Assessment.

I am very much happy to inform you that RUSA is pleased to select the college under the scheme RUSA 2.0 "Up-gradation of Existing Degree College to Model Degree College". Under this scheme of RUSA Assam the college has been implementing various projects to ensure all-round development of the college to cater the need of quality higher education.

I have the pleasure to inform you that we have started our quality enhancement and quality assurance activities keeping in view the 3rd cycle of Assessment and Accreditation to be done very soon. We have already updated our library with e-resource facility through which students will be able to get a lot of study materials available at the click of the mouse. Again for the purpose of language learning the college has set up one modern language lab and also enabled ICT facilities for teaching and learning. Therefore, all the stake holders of the college including the alumni are requested to extend their cooperation and help to make the college a leading institution of higher education.

With the help and co-operation of all alike, it is therefore, earnestly hoped that the beloved Alma-Mater of ours would be ever flourishing in the days to come with all its dignity for the noble cause of higher education, a process of human empowerment & enlightenment for achievement of a better and higher quality of life.

“Wishing you all the best in your life”

“Long live Habraghat Mahavidyalaya.”

(Dr. Mantu Kr. Das)

Principal
Habraghat Mahavidyalaya

MISSION

Habraghat Mahaviyalaya, Krishnai is a rural college that was established in 1979 with the mission of catering to the needs of higher education to the students predominantly belonging to minority, S.C., S.T., & O.B.C. communities which was the need of the time. As such we are committed to reach the following goals and objectives:

Goals and Objectives

1. To provide necessary infrastructure and learning resources for imparting quality education leading to higher education.
2. To create job opportunities by introducing new subjects and professional courses.
3. To reach higher education to the unreached.
4. To develop a sense of unity, fraternity and equality in the students so that they become the ideal citizen for India tomorrow.
5. To develop self confidence and leadership qualities of the students as required to face the challenges of life through various competitions and programmes related to their practical life.
6. To strive for all round development of the students through extracurricular activities.
7. To work for personality development of the students and for moulding of national character.

VISION

Our vision is to make the college an ideal Centre of Knowledge and Learning through imparting quality and value oriented education as well as promoting academic excellence.

MOTTO

The motto of the college is “tomoso maajyotirgamaya” which means to dispel darkness of ignorance by spreading light of knowledge that finds expression in the emblem of the college.

Facilities Available in the College

Administrative Facilities:

Transparent Administration
Free Studentship for meritorious student
Counseling and Career Guidance
Grievance Redressal Cell
Complain/Suggestion Box
NSS Facilities
Scholarship Facilities
Special Award Facilities to the meritorious Students
Mentor Mentee facilities
Various types of Club Facility
Sexual Harassment Prevention Cell
Availability of Student Parliament

Academic Facilities:

Library Facilities Enriched with Digital Library facility
Book Bank Facility
Reprography Facility
E-Learning Resources
Departmental Library Facilities
Availability of Certificate Courses
Distance & Open Learning Center
Student and Teacher exchange Programmes

IT Facilities:

Well Equipped ICT enabled Classrooms
Smart Classrooms
Computer Laboratory
Language Lab

Games and Sports Facilities:

Play Ground
Indoor and Outdoor Sports Facilities
Basket Ball Court
Gym Facility with advance equipment

Campus Facilities:

Echo-Friendly Campus

Separate Hostel Facilities for Boys & Girls

Canteen facility

Separate Common room for Boys & Girls

Separate Seminar & Conference Hall

Community Hall

Differently able friendly Campus

Health Care Center

Pure Drinking water facility

Separate Toilet Facilities for Boys and Girls

Wi-Fi Enable Campus

CCTV Surveillance Campus

Barrier free Campus

Available Parking Facilities

Ragging Free Campus

Plastic Free Campus

Tobacco Free Campus

Other Facilities:

Educational Field Trip/Tour facility

Innovation and Research Facilities

Nutri-Garden

Medicinal Plant Garden

Leisure activities for Students

Practice Facilities for Music & Culture

About Four Year Under Graduate Programme (FYUGP)

Introduction: The Four-Year Undergraduate Programme (FYUGP) in the College under Gauhati University is as per UGC's Curricular Framework, published in November 2022. The course structure of FYUGP is built on the Choice-Based Credit System (CBCS). Though, the FYUGP is basically a CBCS, it is radically different from the courses running under CBCS. Namely, it does not differentiate between so-called Honours and Pass courses existing under CBCS. Basically, the FYUGP is based on the system of education under Liberal Arts.

Duration: While under CBCS, one has a 3-year degree programme, under the NEP's FYUGP, it is a 4-year degree programme.

Exits & Entries: Under CBCS, one needs to complete the full 3-year programme in order to get a degree. There is no provision for dropping out of the programme in the middle. While in the FYUGP, one has choice to exit from the programme thrice – after one year, after two years, and after three years. If one exits the programme after one year, one gets a certificate. If one exits after two years, one gets a diploma. If one exits after three years, one gets a Bachelor's Degree. And finally if a student completes the whole 4-year, one gets a Bachelor's Degree (Honours).

Honours and Major: Under the CBCS, we either have Bachelor's Degree (Honours) or a regular Bachelor's Degree. In FYUGP, we get a Bachelor's Degree with Major after 3 years and a degree with Major & Honours after 4 year.

Progression: If a student exits the FYUGP after 3 years, s/he will need to take admission into the first year of a Master's programme, which is a 2-year degree programme. However, if a student fully completes an FYUGP, s/he needs to take admission into the second year of a Master's programme and needs to complete only one year to get a Master's Degree. Under CBCS, there was no such pathways.

Progression to Doctoral Studies: Once a student takes admission into a Master's programme either after 3 years of the Bachelor's programme or after FYUGP, one will be able to take admission into a Doctoral programme leading to the Degree of PhD. However, if a student is exceptionally good, one can directly take admission into a Doctoral programme right after the FYUGP, bypassing the Master's programme.

How different are the courses: The major differentiator between the FYUGP and the existing CBCS is the student's ability to study different subjects of choice and also the ability to switch between subjects. Basically, there are two parts of a course under the FYUGP – (a) Core Courses and (b) Common Courses. As the name suggests, different students study different core courses and all students study the common courses. Below, we describe what you will study in different parts of the programme.

First Year (Semester I & II): In the first year, one studies three different core subjects – one paper of each subjects per semester. Besides, one needs to study a host of common subjects that we have designed as per UGC's Curricular Framework. Details of these courses are described in this booklet.

Second Year (Semester III & IV):

Semester III: In the third semester, one will usually continue with the same core subjects that have already been chosen in the first year and again study some common subjects. In the third semester, one will also take a step forward to study the favourite subject by declaring one of the core subjects as a Major subject and other two as Minors. However, the structure of the programme remains same as in first & second semesters.

Semester IV: From Semester IV onwards, one will primarily study the Major subject by taking at least four papers, some of which may be elective depending on the subject concerned.

As the programme structure in the third semester is same as the first & second semesters, one will have the option of changing the Major in fourth semester to any one of the other two Minors as well, even if one has already declared a Major in the third semester. However this has the condition that the new Major subject of choice has vacancy

Third Year: In the third year, one will continue to study the Major subject to complete a full set of 15 papers in Majors.

Fourth Year: If one intends to progress to the fourth year, s/he will be devoting the time in studying advanced courses which will be at the level of initial Master's degree papers. Besides, one will also have the opportunity of engaging into research work with the faculty members.

Besides the above, there are some more unique features of the FYUGP. They are • Free Credits From third to sixth semesters, one will have time for 4 free credits per semester, which one can utilise for having more Minors. They can also come handy, if one had changed a Minor subject in between.

Double Major: If a student is ready to do some more hard work, s/he can take some extra online courses (from designated sources only) related to the Minors and can then convert one of the Minors to a second Major by the time one completes 3 / 4 years of study. This is over and above the first Major. In this case, one will have a Bachelor's Degree with Double Majors.

FYUGP degrees & course structures:

The FYUGP at GU is designed to offer two types of Bachelor's Degrees to the students at the end of the successful completion of the programme — (i) Bachelor's Degree in a Stream and (ii) Bachelor's Degree in a Discipline. The word stream here refers to Arts, Science, Commerce, and Management. In case of a degree in a stream, the student studies a multitude of different subjects, usually mixing different disciplines, which leads to a truly multidisciplinary degree. While in case of a degree in a discipline, the student is confined to a certain sets of disciplines. However, in both cases, the student studies equal number of courses (i.e. papers) — so there is no weightage of any kind to either of the two types of degrees. For both the types of degree programmes, course-wise, the whole FYUGP is divided into two parts — (i) Core Courses and (ii) Common Courses.

The minimum credit allocation for a 3-year programme is 84 credits in Core Courses and 36 credits in Common Courses, which comes to a total of minimum 120 credits for a 3-year programme. With the fourth year, the minimum credit requirements become 160. A student can however earn up to a maximum of 132 credits in a 3-year programme and 176 by the fourth year.

Multiple exits & entries: As mentioned before, a student can exit after any year during the FYUGP. Depending on the exit level, a student can get a certificate, diploma, or a degree.

If a student exits after one year into the programme, s/he will be eligible to get a certificate, if she clears all the courses at that point of time. Similarly, s/he will be getting a diploma if s/he exists after two years into the programme, after clearing all the courses up to that point of time. Eventually, after three years, s/he will get a Bachelor's Degree.

It should however be noted that if a student exits the FYUGP at the third year with a Bachelor's Degree, s/he will not be able to seek a reentry afterwards into the fourth year. Rather s/he will need to take admission into the first year of a Master's programme. Every student who is in the third year of the FYUGP, can advance to the fourth year. After successful completion of the fourth year, s/he gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research.

Core courses:

The Core Courses determine the ultimate degree, diploma, or certificate a student will earn at the end of third (or fourth) year, second year, or first year, respectively. The performance in the Core Courses will also determine the grade of the student in the final examinations. Total minimum credit requirement is 84 for the Core Courses, which translates to 21 courses (i.e. papers) with a credit allocation of 4 per course (paper). A student will need to study at least three Core subjects.

The Core Courses have to be chosen among a plethora of subjects offered (see the section on Subject Details) for both the types of degrees, respectively. In case of a Bachelor's Degree in a Stream, the components of the Core Courses are Major and / or Minors, while in case of a Bachelor's Degree in a Discipline, there are no Majors and Minors.

Major and Minors:

In case of a Bachelor's Degree in a Stream, a student either chooses a Major and Minors or just Minors from among the subjects. In any case, a student needs to complete 21 courses or 84 credits by the third year. Please see the examples that we have given in this booklet. A Major course MUST carry a minimum credit of 60 and a Minor course should carry a minimum credit of 12. Usually, for majority of the students, the Core Course will consist of one Major and two Minors. But if a student desires, using the free credits (as described earlier), s/he can easily complete a third Minor as well.

Common courses:

The common courses are to be studied by all students alike and all-together they carry a total credits of 36 over a 3-year period. These courses are further divided into five (5) subcategories, as described below.

Multi-disciplinary Courses:

These are 3-credit courses spanning over five different groups of subjects — (i) Natural and Physics Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, Information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these courses are of Class XII. Each student need to take at any three papers, each with 3-credits from these five sub-groups during Semesters 1-3.

Ability Enhancement Courses (AEC):

This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication).

Each student needs to complete two papers of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. These courses have to be taken during Semesters 1-2.

Skill Enhancement Courses (SEC):

These are various skill courses with total credit allocation of 9. In our structure, we have four skill courses out of which a student needs to study the first skill course of 3 credits in the second Semester. The rest three skill papers, each having 2 credits need to be studied during Semesters 4-6.

Value Added Courses (VAC):

The VAC courses will come from four sub groups — (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All together they will have a credit allocation of 6. Each student will have to take any two papers, each of 3-credits, from any three groups during Semesters 1 & 3. Here one paper from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.

Internship:

All students are to carry out an Internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3-6. As internships are meant to be done during semester breaks, they will not interfere with other classes.

The fourth year:

In the FYUGP, the fourth year is at par with the first year as a Master's programme, as a student can directly take admission into the second year of a Master's programme after the successful completion of the FYUGP. In the fourth year, a student has to complete one compulsory paper on Research Methodology (REM) in the Semester VII, which is a 4-credit theory paper. The rest of courses will consist of Advanced Core Courses and a Dissertation. The detailed structure for the fourth year will be published soon.

Core Course options:

Degree in a Stream In what follows, we diagrammatically show three different options which a student can choose to complete a 3-year programme under the FYUGP. • In this option, the student chooses a Major course and two Minor courses. With this option, the student will have 12 free credits, which s/he can utilise if s/he wants to. • In the second option, the student has utilised this 12 free credits to complete one more Minor. • The third option is when the student do not want any Major but wants to study all three courses equally. This option will be known as No Major (NOM) option.

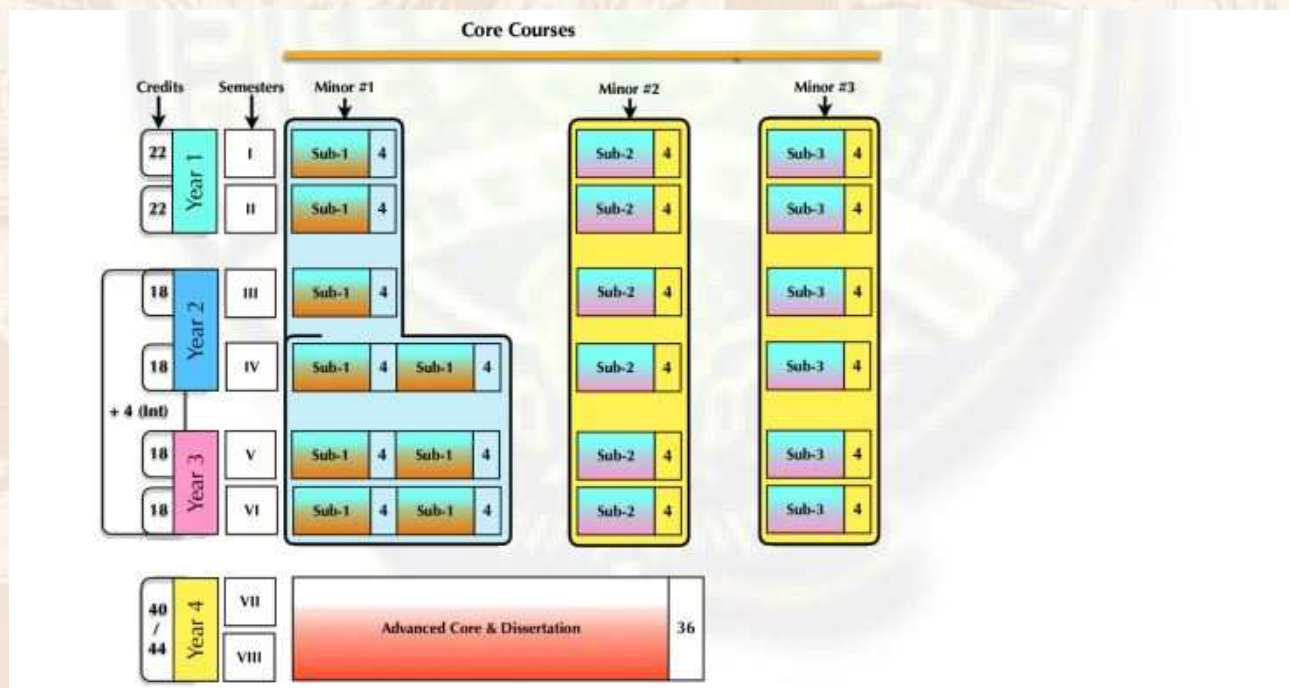

Figure : Core Courses options — Option for a Major and two Minors.

Core Courses					Common Courses

**Subject List (Core Subjects):**

Sl. No	Subject Code	Major Subject	Seat Capacity	Minor Subject	Seat Capacity
1	ASMS	Assamese	60	Assamese	150
2	ARAB	Arabic	30	Arabic	60
3	ENG	English	30	English	150
4	ECO	Economics	30	Economics	80
5	EDU	Education	50	Education	150
6	HIS	History	30	History	80
7	POLS	Political Science	50	Political Science	150
8	MATH	Mathematics	0	Mathematics	30

Common Subjects:

Multi Subjects Group	Humanities & Social Science : a) Women's and Gender Studies Natural & Physical Science: a) Earth Science Information & Media : a) Basic Information and Media Computer Application: a) Information Technology
AEC Subjects	a) Assamese (MIL) Communication b) English Communication
VAC Subjects	(a) Understanding India, (b) Environmental Science, (c) Health & Wellness (d) Yoga Education

Medium of Instruction:

The medium of instruction in major subjects is English but for other options the medium of instruction is Assamese.

General Rules for Maintenance of Discipline among Students:

- (A) The college authority strictly adheres to the rules and regulation of the college for maintenance of discipline among the students. Every student is expected to abide by these rules and regulation as prescribed by the college.
- (B) A student to be eligible for appearing in the Council/University examination must attend 75% of the total lectures delivered in each subject/paper during the academic session. Unsatisfactory progress report will disqualify him/her to appear in the finals.
- (C) All forms of ragging in the college campus is strictly prohibited. Strong disciplinary action as deemed fit by the Vigilance Committee, may be taken if anyone found to be involved directly or indirectly in ragging.
- (D) Student's Union or any other Association shall be subject to the rules and regulation of the college administration.
- (E) The students must keep away from drugs, drinks and such other activities as detrimental to the ever flourishing academic atmosphere of the college.
- (F) Violation of any of the above mentioned condition will make a student liable for punishment such as termination of scholarship, rustication, expulsion etc.
- (G) All power of maintenance of discipline is vested with the Head of the institution.
- (H) **Identity Card & College Uniform** - Every student should have his/her non-transferable I-cards duly endorsed by the Principal. No student will be allowed to attend classes without the college uniforms as prescribed by the college authority.
